THE BEST NONSENSE MONEY CAN BUY

Giant Cupcake Tin

Increase your cup size! Bake muffins so mammoth they'll make you feel like a midget. Whip up buckets of char too, and invite your friends Arriety, Homily and Pod round for a Borrowers tea party.

Coop Glasses

£15, Sourpussclothing.com

Tumblers sporting tattoo-style images by the legendary Coop. Not the Co-Op. Although we'd rather like a set of glasses with pictures of egg mayonnaise and budget coffins on them.

The Jill Deck

These playing cards in which 'all the Jacks are Jills' are decorated with Annabel De Vetter's original paintings of smokin' hot women - plus Jonathan Rhys Meyers as King Of Hearts. All hands on deck! We said *hands*, ladies...

Trekkies will spaff their Spock Y-fronts when they lay eyes on this beauty. A replica of the one Captain Kirk uses, this communicator is a VOIP phone compatible with Skype and features sound effects from the original series. Beam me up to heaven, Scotty!
